To be released on January 25, in FRANCE

PARIS - HOLLYWOOD - LOS ANGELES, 23.01.2017, 07:27 Time

USPA NEWS - RESIDENT EVIL : THE FINAL CHAPTER is a 2016 science fiction action horror film written and directed by Paul W. S. Anderson. It is the sequel to RESIDENT EVIL : RETRIBUTION and the sixth and final installment in the RESIDENT EVIL film series...

RESIDENT EVIL : THE FINAL CHAPTER is a 2016 science fiction action horror film written and directed by Paul W. S. Anderson. It is the sequel to RESIDENT EVIL : RETRIBUTION and the sixth and final installment in the RESIDENT EVIL film series. The Resident Evil film series consists of six science fiction action-horror films loosely based on the Capcom video games of the same name.

- Resident Evil (2002)
- Resident Evil: Apocalypse (2004)
- Resident Evil: Extinction (2007)
- Resident Evil: Afterlife (2010)
- Resident Evil: Retribution (2012)
- Resident Evil: The Final Chapter (2017)

Directed by : Paul W. S. Anderson
Produced by : Paul W. S. Anderson, Jeremy Bolt, Robert Kulzer, Samuel Hadida
Written by : Paul W. S. Anderson
Based on : Resident Evil by Capcom
Starring : Milla Jovovich, Ali Larter, Shawn Roberts, Ruby Rose, Eoin Macken, William Levy, Iain Glen
Distributed by : Sony Pictures
Running time : 106 minutes
Release dates : December 13, 2016 (Tokyo), December 23, 2016 (Japan), January 25, 2017 (France), January 26, 2017 (Germany), January 27, 2017 (United States), February 3, 2017 (United Kingdom)

THE STORY :

The fictional Umbrella Corporation, which acts as the main antagonist in the series, is a bioengineering pharmaceutical company that creates bioweapons. Umbrella was responsible for the zombie apocalypse, which occurred after the corporation's T-virus infected the Earth's population. The films follow protagonist Alice, an original character created for the films portrayed by Milla Jovovich. Alice, who was once a security operative working for Umbrella, becomes an enemy of the corporation. In this Final Chapter, Alice must return to where the nightmare had begun “ “ the now-destroyed Raccoon City, where Umbrella Corporation is gathering its forces to make a final strike against the only remaining survivors of the apocalypse...

OUR REVIEW :

Following the box office success of RESIDENT EVIL : RETRIBUTION, a sixth film in the 'Resident Evil' series was confirmed by the head of Sony Pictures distribution. A lot has happened to Alice since 2002, when the first 'Resident Evil' movie introduced Mila Jovovich as Alice. And now, we find Alice alone amid the ruins of a devastated Washington, D.C. In addition to repurposing situations, character types, and fight choreography from previous episodes, Paul W.S. Anderson gives us a repetitiveness and occasional incoherence of the nonstop action leaving the audience a bit exhausted...

Nevertheless, once again, we stay impressed with Mila Jovovich kinetic athleticism.... With six films released, the Resident Evil film series is the highest-grossing film series to be based on video games of all time. For fans of Resident Evil, we believe this final film will definitely not disappoint.
