Classic Virgins Experience Day

Heritage Motor Centre, Warwickshire, U.K

Gaydon, Warwickshire, U.K, 26.09.2013, 03:52 Time

USPA NEWS - An active and informative day aimed at people contemplating classic car ownership. This is a chance to take rides in classic cars, on country roads, after discussions on buying and owning a classic vehicle. This will also be a chance to find out about car club support and the social scene.

The day will give participants the theory of classic car ownership including choosing a classic car, finance, insurance, club support etc. The day will also include some “hands on“ experience in the workshop to enable new owners to tackle basic maintenance with greater confidence. Experienced tutors will guide the participants through basic maintenance issues of lubrication, carburettor and fuel pump, ignition and brake adjustment.

In the afternoon there will be time to ride in a range of classic cars through the Warwickshire countryside with a rendezvous at the Tool Connection showroom in Southam. Cars have been made available by a range of club members giving their time and, more importantly, a chance for those taking part to sample the thrill of classic motoring. Price £50.00
