AFRICA TECH SUMMIT 2018

ALL ROADS LEAD TO NEW YORK CITY

New York City, 11.12.2018, 00:25 Time

USPA NEWS - The Africa Tech Summit (Americas) will bring hundreds of entrepreneurs, investors, pioneers, and creatives under one roof to address the greatest exponential technologies launching across the continent and its future role as the world´s final tech frontier.
The event is scheduled to be held on Friday December 14, 2018 at 10 Hudson Yards in New York City.

The Africa Tech Summit is the world´s most exclusive event featuring Africa´s growing network of exponential tech influencers. The annual program brings together hundreds of entrepreneurs, investors, pioneers, and creatives under one roof to address the greatest exponential technologies launching across the continent and its future role as the world´s final tech frontier.

The Africa Tech Summit (Americas) will bring hundreds of entrepreneurs, investors, pioneers, and creatives under one roof to address the greatest exponential technologies launching across the continent and its future role as the world´s final tech frontier.
The event is scheduled to be held on Friday December 14, 2018 at 10 Hudson Yards in New York City.

The summit also serves to teach fundamentals of frontier tech investments, startup development and ecosystem building via exclusive workshop sessions with award winning experts. The program concludes with a high profile call to action VIP dinner with summit speakers and partners.

According to Christine Souffrant Ntim an Award-winning Forbes30Under30 Entrepreneur and Managing Partner at Global Startup Ecosystem, the Summit is organized in partnership with SAP Next-Gen.

Christine Souffrant Ntim is an award-winning Haitian-American & Ghanaian, entrepreneur & startup ecosystem expert for emerging markets will be the Host of the 2018 Africa Tech Summit (Americas)

ABOUT GLOBAL STARTUP ECOSYSTEM

Global Startup Ecosystem (GSE): is the world´s largest ecosystem accelerator. With a mission to educate, inspire and prepare startup communities for the digital age, GSE brings together both private and public stakeholders to address humanity´s grandest challenges via tech and entrepreneurship.

From hosting the world´s first and largest digital accelerator to launching disruptive tech summits in emerging markets and emerging industries, GSE serves as the future platform for the world´s leading ecosystem hubs. GSE´s online network accelerates 1000+ companies a year across 90+ countries in 7 key regions-Africa, Asia, America, Caribbean, Europe, Latin America and the Middle East with a focus in frontier tech industries such as Space , Artificial Intelligence, Blockchain, and more.

GSE´s offline network accelerates thousands of entrepreneurs, influencers and creatives via annual tech summits featuring 100 global speakers per event.
