Asim Munir has left no stone unturned

I call upon the entire nation

USPA NEWS - My message for Asim Munir is that, as believers in 'La ilaha illallah, Muhammadur Rasulullah (There is no God but Allah and Mohammad [Peace Be Upon Him] is His messenger)' we have pledged that, as long as we are alive, we will not bow down before the cruelty of Yazid or the tyranny of the Pharaoh, because bowing down to any being other than Allah is 'shirk' (associating partners with God). The psychological torture being inflicted on me and Bushra Begum in prison is being carried out by Asim Munir, and the sole purpose is to make us break down and submit.

The army did not choose General Yahya Khan to govern the country; rather, he used the army to establish a dictatorship, and unleashed a reign of oppression and tyranny upon the nation. In his greed to rule for ten years, he split our country apart. Today, Asim Munir is also doing the same: using the army to create an atmosphere of lawlessness and fascism in our country.

Asim Munir has left no stone unturned for the extension of his illegitimate rule for ten years. First, he strangled democracy. By staging the false flag of May 9th (2023) he attempted to crush the country's largest political party. Then, on February 8th (2024), when people voted in large numbers for Pakistan Tehreek-e-Insaf to give the party a clean sweep, that election was shamelessly stolen. The people's mandate was taken and handed to convicted criminals. After that, the judiciary was incapacitated and, through the 26th Amendment, judges were subjugated. The judiciary has been turned into nothing but a subordinate department of the government.

Thirdly, restrictions were placed on the freedom of the media. The notion of a free press in Pakistan has been eradicated. The tenuous hold of democracy that existed in Pakistan — consisting, to some degree, of an independent judiciary and a free media — has been terminated by Asim Munir. Democracy in the country is suspended, human rights violations are at their peak, the judiciary is subservient, and the media is intimidated.

Ever since Asim Munir took over as Army Chief, he has been attempting to sour relations with Afghanistan. Upon taking office, he first issued threats to Afghanistan, then expelled Afghan nationals who had lived here for three generations, followed by drone strikes there, making every effort to provoke them into fighting Pakistan, creating a climate of terrorism. He is doing this to portray himself as a "mujahid" (warrior) to lobbies in the West that oppose the current Afghan government, in order to convince them that he is the one who can fight the war against terrorism.

Because of this oppression, Pakistan's economy is experiencing historically slow growth. Foreign investment is virtually zero. Never in Pakistan's history has investment been as low as it is at this time. In three years the national debt has doubled. Every Pakistani is now trapped in a quagmire of debt. Until a government of the people is established, it will not be possible to solve the country's economic challenges.

The extent of moral decay in our country is unprecedented. Atrocities have been inflicted upon people here that are not even seen in wartime. Women have been dragged in the streets, children have been seized and harassed, and the sanctity of the elderly has been violated. Never before have any politician's non-political female relatives been treated as badly as my wife and other family members have been. When a state is handed over to thieves and plunderers, tales of whose corruption every child knows, morality is bound to be destroyed like this."

I instruct all PTI parliamentarians and party officials: now is the time to perform as the genuine opposition. Whoever does not do so, will dig their own political grave because that is what the people expect. We sought legal remedies against every injustice, including the theft of our mandate, but did not get justice; therefore, now is the time to stand firmly in opposition. The more you cooperate, the more you will be oppressed. Those who do not resolutely stand against this dispensation will dig their own political graves.

I call upon the entire nation to focus their attention on the Peshawar rally to be held on September 27th. People from across the country should participate in this gathering and raise their voices against oppression."
