The Divergent Series is a feature film series based on the Divergent novels by the American author Veronica Roth. The series is distributed by Summit Entertainment and consists of four science-fiction dystopian action adventure films. The series began development in 2011 when Summit Entertainment acquired the film rights to Divergent with production company Red Wagon Entertainment. It is the sequel to The Divergent Series: Insurgent and will be followed by the concluding entry, The Divergent Series: Ascendant to be released on June 9, 2017. On February 8, 2016, it was confirmed that Schwentke would not return to direct the final film. Lionsgate announced that Lee Toland Krieger would replace Schwentke as the director of the film.

SUMMARY :

Tris must escape with Four and go beyond the wall enclosing Chicago. For the first time ever, they will leave the only city and family they have ever known in order to find a peaceful solution for their embroiled city. Tris must quickly decide who she can trust as a ruthless battle ignites beyond the walls of Chicago which threatens all of humanity.

REVIEW :

The third installment of the blockbuster Divergent series franchise takes Tris into a new world. So, new environment, new dangers involving the futur of the whole humanity... This movie however, it had it all. The action, the romance, the plot: It was all there. The story was interesting, there where multiple stories to follow.
